

## **Holy Cross Monastery is willing to offer Masses For your Dearly Departed Souls, throughout November**

Holy Cross Monastery is an uncompromising, Traditional Catholic Benedictine monastery, in Nova Friburgo, Brazil. The monastery is not sedevacantist and strongly resists the liberalism spread by Catholics who are now seeking recognition from modernist Rome.

Holy Cross Monastery would be glad to receive the names of your departed loved ones, to place on the monastery's altar. Mass will be offered every day throughout November, for the repose of these souls. No Mass stipend is necessary.

Send the names of your departed loved ones to: [holycrossmonasterybrazil@gmail.com](mailto:holycrossmonasterybrazil@gmail.com). (This is the email address of the U.S. non-profit corporation established to allow donations to the monastery, which are deductible under U.S. tax law. The names of your loved ones will be forwarded to the monastery, for placement on its altar.)
